Baby Tattooville 2007

Planned Gifts, Giveaways and Bonus Items for Attendees

Baby Tattooville attendees will receive unique gifts and giveaways courtesy of the event's Featured Artists and sponsors. Here is a partial list of what attendees can expect.

12-in-1 Limited Edition Signed and Numbered Print

Featured Artists will create individual images to be included in an exclusive event print. The single print, featuring 12 works of art, will be signed by each of the artists.

All-Artist Art-Jam Giclée – Courtesy of Pop Cling

Featured Artists will spend Friday and Saturday in a tag team collaboration creating original art. What will the result look like, who knows; but attendees will have their own professionally reproduced art print of the original on Sunday. Impossible? Be there!

James Jean Original Figure Drawing

What will James Jean do with the art he creates during his drawing demonstration with beautiful tattooed girls? He will give it away to attendees. Enough for everyone? Yes!

Exclusive Dimensional Art Object by Ragnar

Ragnar will sculpt, mold and cast an original work of art. The mold will be destroyed at the end of the event, but not until casts have been created for each and every attendee.

Tara McPherson Screen Print

Tara will arrive at Baby Tattooville ready to show you some hands-on printing. What you get: an exclusive print. What you give: some hands-on help.

Pre-Release Mini Figure from STRANGECO Vivisect Playset (a rare one at that)

No explanation necessary.

Books by Mark Murphy

Oil and Scribble.

Signed Baby Tattoo Books

My Hunger For Venison by Gary Baseman, *Little Jordan Ray's Muddy Spud* by Gris Grimly, *Kings of the Road* by Ragnar and *Popping Through Pictures* by Amanda Visell.

Cannibal Flesh Riot Swag

Gris Grimly will bring enough collectible movie memorabilia for everyone.

One-of-a-Kind Baby Tattooville Ticket with Original Artwork by Amanda Visell

One might mistake this ticket for a beautiful, hand-numbered mini-print. Attendees who present their ticket to Amanda Visell will be rewarded with on-the-spot customization.

Exclusive Photo Print by Jeffery Scott (1019)

Mr. Scott will pull a double all-nighter to demonstrate his artistic process. Be there Friday night for the photo shoot; be there Sunday for the signed and numbered print.

Whew! More to come. Subject to change without notice due to unforeseen circumstances.
